Leiterplattenzubehör

Snap-in Card Guides

V-Shaped opening allows easy PCB insertion.

Material:

Glass-filled Nylon66, black, UL94 V-0

Technical Data 403633

Fire protection class	UL 94 V-0
Assembly type	plug
Material	nylon 66
Material additive	15% glass-fibre reinforced
Colour	black
(L) length-overall in mm	127
(L length-overall) tolerance	±1,6
(A) distance between outmost fastening spigots in mm	76,6
(A distance between outmost fastening spigots)	±0,41
Hole Diameter for mounting in mm	0,3175
(Hole Diameter) tolerance	+0,0076 / -0,0025
Material thickness in mm	2
Number of card guides	Single-sided
Card guide characteristic	PCB guide horizontal
