

**Series PNKBL**

**Article: 408731**

**Rivets**

**Blind Rivets made from Plastic**

Our plastic rivets ensure a secure and cost-effective connection between components. These rivets are not only easy to work with but are gentle on surfaces and are thereby not contact corrosive. Furthermore, they are also electrically insulating.

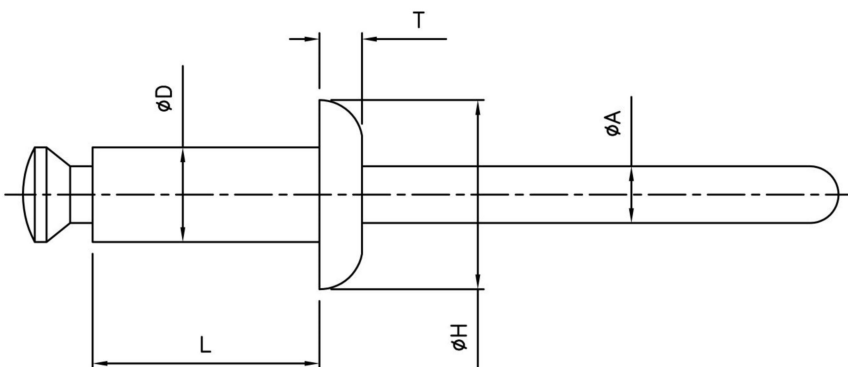

**Material:**

Rivet: Nylon 6, black, UL 94 V-2, white on request, Pin: Polycarbonate, clear, UL 94 V-2

**Technical Data 408731**

Building Type	Blind rivet
Material	nylon 6
Colour	natural
Material thickness in mm	1-4
Rivet diameter in mm	3,2
Rivet length in mm	6,4
Head diameter in mm	6,4
Head height in mm	1,4
Diameter in mm	2,1
Hole diameter in mm	3,3
Material mandrel	polycarbonate
Fire protection class mandrel	UL 94 V-2
