

Component Holders

Rectangular, Capacitor Mount

•Works with Capacitors, Resistor Networks and any other electrical component.

Material:

Nylon 66, natural, UL 94 V-2

Technical Data 412031

Building Type	Component holder
Material	nylon 66
Fire protection class	UL 94 V-2
Colour	white
Widths in mm	3,7
Height in mm	1,5
Depth in mm	7,5
