Series LPR55 — Article: 402550

Cable Mounts

Lockable Round Cable Holder with Adhesive Surface
Suitable for holding one or several cables. Robust design.
Lockable and un-lockable with use of a screwdriver
Material:
Nylon 66, black, UL 94 V-2

Technical Data 402550

Assembly type	self-adhesive
Building Type	Cable holder
Material	nylon 66
Fire protection class	UL 94 V-2
Colour	black
Height in mm	12,2
Blocking mechanism	locking
Diameter hole in mm	5,3
(Diameter hole) tolerance	± 0,3
(Height) tolerance	± 0,43
Component width in mm	13,4
(Component width) tolerance	± 0,43
Component length in mm	25,8
(Component length) tolerance	± 0,52
Inside diameter in mm	5,5
